

ICYMI

IN CASE YOU MISSED IT

Uncovering the people, partnerships, and pulse of precision manufacturing.

New Members

- Stegg Limited
- Motorex USA
- Plain Systems Co.
- Ashland Technologies, Inc.
- Allied Technologies International

Committees

PMPA's IT Committee presented a breakout session, Technology for Workflow Optimization, at this year's Management Update Conference in Charlotte, North Carolina. The session showed attendees how standard digital tools and automation can simplify processes across both the manufacturing floor and the office.

Past Events

PMPA Illinois Chapter President's Roundtable

PMPA Wisconsin Chapter President's Roundtable

Speaking Of Precision Podcast

- Talking Business Part 13 & 14 with John Detterbeck
- IT Series: Speaking of Hacking with Michael Vay
- Interview with Luke Wright
- Develop a Culture of Goal Setting
- Interview with PMPA President, Tanya DiSalvo
- PMPA National Technical Conference Primer
- G-Code Macro Arithmetic Operators by Controller

ListServe Communities Topics

Have a specific question or challenge? PMPA's ListServes — Technical, Quality, HR, IT, and Corporate — let you tap into the right community of peers who've been there, solved that! Here are the top conversations in the Listserve Community last month:

- **HR:** Machinist pre-employment testing: *Member looking for best pre employment screening fit.*
- **Technical:** T304L SS small drills and dwell: *Member looking for solutions for drilling stainless steel.*
- **Technical:** Laser engraving head for parts marking: *Conversation between members about laser engraving.*
- **Technical:** Mist Collectors: *Members conversation on mist collectors*
- **Corporate:** Thread rolling from endworking position on Swiss lathe: *Members sharing information on various types of end-working solutions for thread rolling*
